

Redemption and Tips

- ✓ To schedule, your flight, email the Centennial Aviation Academy at pdkadmin@centennialaviationacademy.com at least one week in advance
- ✓ For your convenience, we are open 7 days a week and are located at the Peachtree-DeKalb Airport
- ✓ We recommend flights within 2 hours after sunrise/before sunset. These times tend to have the smoothest flying conditions.
- ✓ Feel free to bring 2 others with you! They can sit in the back seat and ride along (Subject to aircraft weight and balance – just let your pilot know when scheduling your flight)
- ✓ During the winter months, dress in layers, we'll be outside for about half an hour
- ✓ Bring a camera and a bottle of water
- ✓ If you have any questions, please don't hesitate to contact us directly

We look forward to flying with you soon!
